CONTRIBUTING & DONATING TO THE CASA GRANDE HIGH SCHOOL MUSIC PROGRAM

While students are in the Casa Grande High School Music Program, families often contribute and donate to certain causes, items, events, and fundraisers throughout the student's musical career. The Casa Grande High School Music Program has a music boosters organization that houses and oversees the vast majority of the music program's finances. This organization is called *Eastside Friends of Music* (or just *E.F.M.*). All contributions and donations made to the Casa Grande High School Music Program go to this organization.

Eastside Friends of Music accepts contributions and donations through several methods. Please feel free to utilize any of the following methods throughout the year for ALL contributions and donations.

Also label the envelope with what the contribution or donation is for, specifically (Uniform Contribution, Instrument Loan Contribution, etc.).
